Equality Statement

The Ulster Clay Pigeon Shooting Association's aim is to promote the sport of Clay Target Shooting for all people who live in Northern Ireland and to be mindful of the need to carry out our functions in a manner that promotes equality of opportunity between:-

Persons of different religious belief, political opinion, racial group, age, marital status or sexual orientation, between men and women generally and between persons with a disability and persons without.

Child Protection Policy

The Ulster Clay Pigeon Shooting Association believes that child protection is everyone's responsibility. Abuse can occur anywhere there are children at any time, in school, in the park, at the club.

Sadly, there are some people who will seek to be where children are simply in order to abuse them. We believe that everyone in the UCPSA has a part to play in looking after the children with whom we are working. This is both a moral and a legal obligation.

The Children (NI) Order 1995 indicates that anyone who has the care of a child should "do what is reasonable in all the circumstances for the purpose of safeguarding or promoting the child's welfare.

Our full Child Protection Policy is available on our website www.ucpsa.com or alternatively you can obtain a copy from the UCPSA Secretary.
